

College

To Accept

1st Pupils

FORT LAUDERDALE —

The first acceptance notices for the new Junior College of Broward County will be in the mail to students by Monday, Dr. Joe B. Rushing, president, said Thursday.

"The basic curriculum will also be announced within two days," Rushing said.

He is now processing 162 student applications with more coming each mail, he said.

All the applicants are not high school seniors. Several who graduated one or two years ago from high schools have applied.

"One prospective student has been out of high school for 38 years," the president noted.

The acceptances are being determined by Dr. Rushing, his dean of instruction, Dr. E. P. Lauderdale, and the principals of the various high schools.

Students ranking low in high school standings will be reviewed during the summer in a college guidance program. They will also be tested.

Faculty applications are also being screened by Dr. Rushing. These selections are expected within a few weeks.
